Enter the name of the Entity. Any potential matches will be listed immediately below the Entity Name.

The screenshot shows a form titled "Excluded Entity" with a blue border. It contains four input fields, each with a dropdown arrow on the right side. The first field is labeled "Entity Name". The second field is labeled "DUNS Unique Entity ID" and contains the text "Example: 123456789". The third field is labeled "SAM Unique Entity ID". The fourth field is labeled "CAGE / NCAGE".

This screenshot shows the same "Excluded Entity" form. The "Entity Name" field now contains the text "Love Transit" and has a blue border. Below the input field, the text "No results found" is displayed in a yellow highlight. The other fields remain empty, with the "DUNS Unique Entity ID" field still showing "Example: 123456789".
